

IMPORTANT NOTICE!

Dear Participants,

We have been made aware that some of the ICBC 2016 committee members and participants have been receiving emails and phone calls from a certain service provider by the name “Exhibition Housing Management” claiming to provide cheaper hotel reservations for ICBC 2016.

We would like to draw your attention to the following :

1) Exhibition Housing Management **DOES NOT** represent the ICBC 2016 organization in any way.

2) As the Organization Office of the ICBC 2016, we have made an agreement with Wyndham Grand Hotel so that the best prices for accommodation during the congress dates are on our website.

3) No one will call you and say such things as :

“There are only a few rooms left, you must book your accommodation now.”

“Special price for you! You can have a x% discount if you book now!”

4) All bookings can be made from ICBC 2016 official website with the best prices.

5) We might send you reminder e-mails regarding the congress.

Please do not hesitate to contact ICBC 2016 Official Organization Office; Arber Professional Congress Services.
